EDMONTON INDUSTRIAL EXHIBITION.
Eye Opener.

Look in another column for our advertisement of the Edmonton industrial exhibition. It is going to be a crackerjack this year, \$10,000 cash in prizes and the greatest three days' race meeting in the west. Cheap railway fares have been arranged. All the big river equine celebrities (Chic Macgregor, Gildesbury, Galligan, Albion, Jack, Beautiful Girl, Brownie and all the rest of them) are being taken up. The dates are June 20, 21 and 22. Five dollars and return from Calgary and relatively low rates from other points. Horsemen should communicate with W. H. Cooper (Barney) with regard to stalls. Their track is admittedly the best and fastest in the country and the purses are paid just as soon as won. Their program of races and attractions is out and is just right. One thousand dollars has been laid aside for an elaborate fireworks display. No ghostly attempt will be made to make a feature of the fireworks as they propose doing at the Calgary fair.

IMPROVEMENT AT AGRICULTURAL GROUNDS.

Extensive improvements are being made at the exhibition grounds. The old buildings have all been repainted and several new ones are being erected. The new dining hall being built among the trees at the west end of the grounds will be a commodious structure. A building has been erected for the firework display. A new office, 14x18, for the secretary of the association will be erected near the large gate. The race track is in excellent condition and is being further improved. The football diamond, cricket ground, etc., are being put into perfect condition. The exhibition management will shortly block out the ground in order to lay for booths, etc. They have decided to charge \$5 a day for a block of ground 20x50 feet and \$10 a day for a space 6x50 feet.

GRADING FOR THE C. N. R.

Construction work for the Canadian Northern railway is being pushed forward. Right of way through W. Rastan's property has not yet been settled and the grading has been continued from the other side of his property. Additional teams and the grading is done up to the edge of the bank opposite Walters' mill. A gang of men are at work clearing and burning the brush on the right of way east of the Hudson Bay Port.

LIST OF SEEDING DATES

F. S. Mitchell, whose farm is on the high ridge between the Sturgeon and the Saskatchewan rivers, eight miles from Edmonton, sends the following particulars of his seeding dates for the last ten years:

Year	plough	sown	plough	sown
1893	Apr. 22	May 4	May 26	June 6
1894	Apr. 23	Apr. 26	May 30	June 5
1895	Apr. 15	Apr. 17	May 16	June 1
1896	Apr. 23	May 8	May 27	May 7
1897	Apr. 15	Apr. 21	May 12	May 17
1898	Apr. 18	Apr. 25	May 18	May 24
1899	Apr. 13	Apr. 24	May 22	June 9
1900	Apr. 17	May 1	May 23	June 9
1901	Apr. 17	Apr. 18	May 18	May 18
1902	Apr. 15	May 11	June 11	

Fall wheat was sown in 1901 on Aug. 17, and cattle were allowed on it till Oct. 23; there was little snow the following winter and it was practically all killed. The same piece was sown in 1902 on Aug. 9, and cattle were not allowed on it: it came unharmed through last winter and now looks first rate.

AN EXPLANATION

Editor Bulletin.

The Namanoo news is wrong. It is said that Elder J. L. Mortimer did not meet with approval, but Elder Mortimer, of the Lester Day Estate of Jesus Christ's church, has been preaching at Namanoo school and when he was going away he was asked to preach at Namanoo school and the trustees approved and promised the school with welcome. Some persons went to those trustees and asked them to deny the school to the Namanoo school of the trustees left a note at the post office saying that could not be the school. Of course, as Elder Mortimer's time was limited, he did not go for the school as he had been told of.

offer of buildings for his service when he comes back this fall, as he intends to do. Because the baptismal service was not given out in time was the reason of the small attendance.

MISSION AT ST. JOACHIM

The mission given by the Rev. John A. Fitzpatrick, O.M.I., at St. Joachim's was solemnly closed Sunday afternoon at four o'clock. In the morning at high mass the missionary announced that there had been four hundred communions and five hundred confessions. He preached on the cross, telling his hearers that it should be for them, as it really was, the center and interpretation of everything. He ended by quoting the words of the Master, "Everyone, therefore, that shall confess Me before men, I will also confess him before My Father, who is in heaven. But he that shall deny Me before men, I will also deny him before My Father who is in heaven." St. Matt. X.

The afternoon services consisted of the recitation of the rosary before the most blessed sacrament, solemnly exposed, the reading of the commandments of God and his church, benediction and the procession. The Very Rev. H. Leduc, O.M.I., dressed in cope, read each commandment and the missionary commented on its meaning. After this those present lighted candles and renewed the promises made for them in their baptism by their god-parents, then the papal benediction was given. The missionaries were thanked and their kindness immediately after benediction a procession was formed, cross-bearer and acolytes at the head, of the girls, women, boys and men with six of the prominent men of the parish carrying the cross of the mission. The congregation proceeded to the spot outside the church where the cross was planted. After a prayer at its foot all withdrew. During all these ceremonies the choir, with Mother St. Gertrude at the organ, and Mr. Beck, wielding the baton, sang in its customary artistic style.

EAST STONY PLAIN

Crops on the Plain are looking splendid. Andrew Stewart was a visitor to Edmonton on Friday. He has disposed of his heavy team to Mr. J. Johnston.

Now that the seeding is all done the next thing is for the overseer to get to work on the roads. We hope the ratepayers will respond freely to the call.

Messrs. Hagen, Reid and Knapp paid a visit to see what their future home was like, north of Egg Lake.

Waldo and Howard Empey, of Birch Lake, paid a visit to their brother, R. Empey, of East Stony Plain, returning yesterday. The boys are looking well although Waldo is cough.

The farmers of local improvement district No. 46, can get application and secure hall insurance from S. C. Hagan, the overseer of the above district.

We are informed that Hagen & Reid have gone southeast to look over the Birch Lake country in view of securing suitable lands for mixed farming. We hope the boys will meet with success.

NOTICE.

To Contractors, Farmers and all who have machines liable to renewal or repair.

The business heretofore carried on under the name of the "Edmonton Iron Works" will now be transacted by the "Edmonton Iron Working Company" at the same place of business as in the past.

The new company is now installing new machinery as fast as it can be got upon the ground. The company is also prepared to furnish to the various trades all cast iron work and machined castings at a price that will prohibit importation of these things.

CONTRACTORS.

Contractors can procure cast iron columns of any design, cast weights, cast doors, truss rods, bolts, and nuts, for building and bridging purposes, etc., on shortest reasonable notice.

FARMERS.

Farmers can have their mowers, binders and threshers overhauled and put in first class state, thus, in any case, saving the expense of a new machine for some years.

OWNERS OF ENGINES AND BOILERS.

Competent men are always on hand to go into the country and repair engines and boilers that cannot be brought to the shops.

Tubes, steel for patches, patch bolts, etc., always on hand.

TERMS.

Terms cash, except in cases of prompt accounts.

The new company asks no favor from the public except opportunity; therefore if work is not promptly and satisfactorily performed it will be deemed sufficient reason for the discontinuance of the customer.

Customers will confer a favor upon the company by reporting any laxity or discourtesy by the employees in the performance of their work.

All correspondence to be addressed to

The Edmonton Iron Working Co

Taking the life of a broom as a subject for remembrance, we can only say that among the many kinds of brooms offered to us we have picked out those because they are sure to last long and do good work.

Some brooms are dead before they reach the customers. Not so with these. Take everything else in our stock of

GROCERIES

they are well worth their cost.
